

**OPTIMA FUND MANAGEMENT  
HAS BEEN NAMED  
2017 BEST SPECIALIST FUND OF HEDGE FUNDS BY *HEDGEWEEK*  
and  
**THE OPTIMA FUND  
HAS BEEN AWARDED  
2017 BEST US STRATEGIES FUND - 1 YEAR BY *INVESTHEDGE*****

Optima Fund Management, one of the pre-eminent fund of hedge funds and hedge fund investment firms, is pleased to announce that it has been awarded prestigious awards by not one, but two major industry groups.

First, Optima Fund Management LLC won the 'Best Specialist Fund of Hedge Funds' category at the Hedgeweek USA 2017 Awards ceremony in New York on September 22. We are proud to have been recognized yet again for our long-term performance and commitment to a range of distinctive investment strategies. Optima's ability to deliver competitive returns has earned us an award for our long-term dedication to concentrated portfolios managed for Institutional Investors and HNWI's across the globe and across various strategies.

Second, Optima's flagship fund was named the top 'US Strategies - 1 Year' fund by InvestHedge at its award ceremony on September 28. This award recognizes The Optima Fund for its distinguished performance over the last year. The Optima Fund, which was launched in 1989, embodies Optima's commitment to investing with managers that it considers to be among the "best and the brightest" in the industry. The Optima Fund's 28-year record makes it one of the oldest fund of hedge funds.

Optima Fund Management was founded in 1988 by Dixon Boardman, who still runs the multi-billion dollar firm today. An SEC registered investment adviser headquartered in New York City, Optima is well-recognized in the investment industry for its nearly three decades of

accomplishments. The firm has always been committed to high quality investment programs, rigorous risk management, superior client service, and thought leadership. A pioneer of the fund of funds industry, Optima has continued to be an innovator in developing new programs that can add value for our investors.
